

# AIR-BOUND GYMNASTICS

## BOOSTER CLUB SPONSORSHIP PACKET

---

The athletes of Air-Bound Gymnastics are in need of your sponsorship. Air-Bound Gymnastics is a professional facility that is dedicated in training young gymnasts for competition in all areas of gymnastics. The members of the Air-Bound Team have been invited to compete based upon their talents and potential. Air-Bound has a staff of trained and experienced coaches that are dedicated to helping these gymnasts achieve their gymnastic potential.

Competing increases the confidence and skills of these gymnasts. Competing requires traveling to meets and competitions throughout Utah and the Nation. Each team member will also have the opportunity to compete in the Utah Summer games in June. The cost of travel, coaches fees, and a sizeable entry fee make this an expensive sport to participate in, there is also the cost of monthly tuition and team uniforms which are required to compete. All of these expenses are paid by the gymnast.

This is where you can help! You can sponsor an individual gymnast or the entire team. Your generous contributions are used to help offset the expenses of competing. There are 4 sponsorship packages available, which are tax deductible as an advertising expense. The 4 packages are discussed on the following page of this packet. If you have any question or concerns please contact Air-Bound Gymnastics at (435) 792-4247.
