

# Air-Bound Gymnastics Team Payments Info (v. June 2023)

***Payments for team related expenses are paid to either Air-Bound Gymnastics or USAG. THIS IS A CHANGE FROM OTHER YEARS. All payments beside the USAG fee will be paid through Air-Bound Gymnastics and can be paid with cash, check, or credit card through the parent portal or at the front desk. Air-Bound will accept check or cash until due date – if you haven't paid by due date your credit card will be run.***

***We will look at dates for meets and let you know a tentative schedule when available!  
(Jan.-April for compulsories & optionals)***

All Questions should be sent to **office@air-bound.com**

**Tuition** - \$ Varies – Due Monthly (paid to Air-Bound Gymnastics)

Team tuition rates are year based and broken down into “monthly” payments. There is no proration for missed classes, team breaks, or holidays. Team tuition is deeply discounted from recreation class prices. Monthly tuition increases with each level but the discount increase as more time is added. Tuition must be current to be entered into meets.

**Annual Registration** \$25, Due Sept 1 (Paid to Air-Bound Gymnastics)

**Uniform Orders**, Due September (Paid to Air-Bound Gymnastics)

This is the yearly uniform order for performance leos, competition leos, warmups, bags, etc. This is a need based order to either order a new uniform or replace worn-out or outgrown uniforms. A new performance leo is required each year for performances, parades, etc.

**Annual Team Fee** \$40, Due July 1st (paid to Air-Bound Gymnastics)

This fee goes into the General Booster Account and is used to cover team parties, coach registrations, team entry fees, walk-outs and other miscellaneous expenses.

**Competition Fees**, Compulsories \$700 (approx.), Optionals \$1600 (approx.)

This fee is a **deposit** for the season. This fee covers entry fees and coaches’ fees for each meet. Once these fees are finalized after the season, the final competition fees are known. Competition Fees must be paid to be entered into a meet.

Entry fees vary from meet to meet and these are not known until meets are announced. In general, Compulsories range from \$60-\$100+ and Optionals range from \$75-\$125+. Coaches’ fees are a factor of the number of sessions coached, the number of girls at a given meet and location of the meet.

The requested competition fee will be invoiced once before payment deadlines. After the season, there will either be a credit or an additional charge applied to each account. The estimated deposits are usually enough to cover the season and rarely is an additional charge applied. Any credit on account can be carried over or cashed out (fundraiser money can carry over only).

After each season, a breakdown of all competition fees will be provided with the end of season statement.

**USAG Membership**, Due July 31st (Paid to USAG)

A USAG Membership is required to compete at sanctioned events. The membership season runs from Aug 1- July 31 of each year. USAG has changed the way they handle memberships and now parent must register and pay for their gymnast thru usagym.org. Instruction on completing this will be sent via email.
