

We are dedicated to providing a safe learning environment to help cheerleaders build their confidence and pursue their love of cheer by teaching proper technique and performing to the best of their ability.

## **2024-2025 Teams**

### **ALL-STAR PREP—**

This is a great introduction to All-Star Cheerleading with a lower time and money commitment than our Elite teams. Prep classes will run June-April.

They will compete 2 times and perform 3-4 times. All Prep Teams will compete locally (MEANING ODGEN - SALT LAKE AREA) and will NOT travel out of state. We will have a competition/Performance Schedule available in Late September.

### **ELITE—**

The Full-Year All Star program is a competitive All-Star Cheerleading Program that includes athletes aged 4-18 with Levels ranging from 1-4. The season will go from Mid-May through April. When forming teams, we are looking for full mastery of skills to be placed within a level, as well as stunting positions.

The competition schedule will be released in September of 2024. Elite Teams will attend 5-7 local and out-of-state competitions. All athletes are required to attend every competition.

*All-Star Cheerleading requires a large amount of commitment from the athlete and their family. This commitment is the foundation of individual and team success. Please make sure you are aware of our policies as well financial commitments. Thank you for taking the time to ensure Air-Bound Angels is the right choice for your athlete and your family.*

## Tryouts/Team Placements

Login to the Parent Portal on [www.air-bound.com](http://www.air-bound.com) and click on events to sign up for the Cheer Team Placements on May 11th. Everyone will be placed on a team! If new to Air-Bound click on New Registration and then click on events and sign up.

## Tuition Prices/Practice Schedule:

Tuition is charged to your credit card on file the 1st of every month. For questions about tuition, contact the front office. For the month of May, you will be charged for 2 weeks on May 13th. If you wish to pay with cash or check please do so before the 1st of the month during office hours.

There is a registration fee every September of \$30. For those of you joining the team now that have not taken a class since September, you will need to pay a prorated registration fee of \$8 to carry you through until September. This will be charged to your credit card on May 13th.

Practices times TBD -\*School year schedules will be announced at the beginning of August.

## Fundraisers:

We'll email more information as these get a little closer. If parents have any suggestions, feel free to let us know!

## Choreography/Camp:

We will be learning our routine this summer! Attendance is MANDATORY! It is super important that everyone is there in order to establish formations and avoid reteaching.

## Performances/Parades:

We try to do two-three parades and a few performances each season. These will be announced as they come (usually about a month before), so please look forward to getting those announcements in your email. These performances and parades are mandatory, although we know that there are things that get in the way. Everybody will get a performance outfit to wear to performances and parades so we all match. Performances don't start till December/January.

## Competitions:

Parents, you will be in charge of registering your child as a USASF cheerleader. This will make them eligible to compete in any US-cheer competition. Go to USASF.net and register your child. There will be a \$50 registration fee. Please get this done ASAP once it opens for the season (usually June). Let me know if you have any questions.

Competition season will be between the months of Dec-March/April. Specific dates will be provided soon!
