

THE COACHES

Jamie Stanger – Director, Team Head Coach

I graduated from USU in Kinesiology with a minor in Yoga Practice. I am a NASM Certified Personal Trainer and work as an iFit Trainer! I'm originally from Idaho Falls, Idaho, but have lived in Logan for the last 8 years. I cheered through Junior High and High School and helped coach high school cheer during the summers at my home high school in Idaho Falls! I have had a huge passion for cheer my whole life and am so excited to be back at it!

Brianna Hall – Team Coach

I am from Logan. I was a gymnast when I was young and a cheerleader when I was a teenager. I also like to play volleyball. I went to USU and got my associates degree! I have a wonderful husband and a son. I love spending time with my family! I love the outdoors, playing games, going camping, and going boating. I love being a mom and coaching cheer!

Kaylee Tanner - Team Coach, Recreation Coach

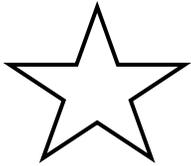

I'm from Boise, Idaho. I plan to attend college here once I get my residency. I have always loved tumbling and learning new skills which got me into cheerleading. I have 4 years of tumbling class experience and I did three years of high school cheer and loved every minute of it! Aside from cheer, I love hanging out with my friends and family and doing arts and crafts or anything outdoors. I'm super excited to get back in the gym and can't wait to work with everyone.

Elle Anderson - Team Coach, Recreation Coach

I've always lived here in Utah and I love it here! I love cheer and anything fun and creative! I'm always up for trying new things! I love food and listening to music! I've been with Air-Bound since I was little, and I love all the people here so much! I hope to see you sometime soon!!

It is super important that everyone is there in order to establish formations and avoid reteaching. We will fit some other activities into these days and depending on the heat, may have an overnight stay at the gym!

Performances/Parades:

We try to do two parades and a few performances each season. These will be announced as they come (usually about a month before), so please look forward to getting those announcements in your email. These performances and parades are mandatory, although we know that there are things that get in the way. Everybody will get a performance outfit to wear to performances and parades so we all match. Performances don't start till December/January.

Competitions:

Parents, you will be in charge of registering your child as a USASF cheerleader. This will make them eligible to compete in any US-cheer competition. Go to USASF.net and register your child. There will be a \$30 registration fee. Please get this done ASAP once it opens for the season (usually June). Let me know if you have any questions.

Attendance/Dress Code/Honor Code

Attendance

Angel practices are closed to friends, parents, or siblings. It is very distracting to the team and coaches to have spectators. Being at practice is crucial to our team's progress! When one person misses, it hurts the whole team! Cheer is a team sport! Every position is important! All absences and tardies need to be excused by a PARENT! Please call or text your daughter's cheer coach to excuse any absences or tardies! This includes performances and parades as well. Exceptions can be made at the coach's discretion. Please know we have the right to remove you from the team if we feel your attendance is hurting the other athletes' progress. Joining the Angels is a commitment and that means some sacrifices will need to be made to make this team a success! We understand trips and other events being planned during the summer months. We will be more understanding about missing practices during summer, but please try your hardest to attend! Summer is when we condition and set positions. Once the school year starts, we are only allowing 3 unexcused absences through the season.

Absences/Tardies

We understand that kids get sick, and we know there will be events that will cause you to miss cheer. For example- family vacations, funerals, weddings, illnesses, etc. If you are sick with something minor, we would still like you to come to practice and do your best. Even if that means just watching. We are constantly making changes and it is time consuming to reteach those changes to one cheerleader. If you are going to be late or leave early, please let us know ahead of time so we can plan practice accordingly! Please know that we do have the right to remove your child from the team if we feel their attendance is hurting the team's progress! Joining the Angels is a commitment and that means some sacrifices will need to be made to make the team successful.

All cheerleaders need to be ready and on the mats to start warm-ups on the hour! That may mean arriving 10 minutes early. If you are going to be tardy, please have a parent contact one of the coaches. Unexcused tardies will result in added time to conditioning.

Dress Code

Hair needs to be pulled back. If your hair is short, it needs to be pulled back away from your face. Everyone needs to wear clean, white cheer shoes to every practice. No sweatshirts, baggy t-shirts, jackets, jeans, jewelry, offensive clothing, or any other items that may be distracting to the team or make practice difficult in any way. Piercings of any kind need to be taken out for practices, performances, and competitions. Your nails need to be trimmed and short. NO fake nails! If a cheerleader comes to practice with nails, they will be asked to cut them on site. No gum, food, or drinks other than sports drinks and water. No lotion before practice! It makes it very difficult and unsafe to stunt.

Honor Code

When you are at practice, competitions, performances, or parades, you are representing Air-Bound. Please keep in mind, this includes online! You ARE representing the Angels even on your social media accounts.

I agree with the Angels honor code, dress code, attendance policy, and all other rules and regulations that have been set by the Air-Bound Angels.
