

AIR-BOUND

Gymnastics ♦ Cheer ♦ Tumbling

Team Parents-

The USA Gymnastics has cancelled all meets through May 10th. This means that we are choosing to end our competition season because State is the only meet not cancelled as of now. Once we can practice again we will keep working on cleaning up their skills. Those that we feel are ready to move to the next level will do a sanctioned in house judged meet to allow your child to score out if able.

We also will be considering competing in the fall.

Booster accounts will be adjusted as soon as we receive refunds from meets already entered into. We hope to have this done within a month.

Thanks!

Air-Bound Gymnastics
