

Parents-

Summer sign-ups will start on Wednesday, May 1<sup>st</sup> at 4:00pm. Sign-ups in person will be during office hours (The schedule will be posted on the website - [www.air-bound.com](http://www.air-bound.com) by April 25th). Current classes go through May 24th. Summer classes start week of June 3rd. Registration is ongoing throughout the year!

Here are some tips to make sign ups easier for you!

1. Login to the Parent Portal before sign-ups (portal can be found at [www.air-bound.com](http://www.air-bound.com)) **Make sure you have agreed to the WAIVER, updated your information & have a credit card on file.** (ALL Customers must agree to the waiver electronically; update information & have a credit card on file.)
2. If you are new to Air-Bound Gymnastics and don't have an account, no problem. Go to [www.air-bound.com](http://www.air-bound.com) and click on New Registration and follow the steps to sign the waiver and enter your information.
3. 4 ways to sign up:
  - a. Sign-up online –Login to the parent portal to sign-up online. (This will be available Wednesday, May 1st at 4:00pm) Remember just because you want to be with a friend, try a certain level, or a class is at a convenient time doesn't make it the best class for you. At Air-Bound we want your child in the best class skill-wise that will help your child improve without being discouraged. If we find they aren't in the correct level, we will have to move them and can't guarantee class availability.
  - b. You can sign up over phone (during office hours) if waiver is signed, information updated, and will let us charge credit card on file at time of sign up – Please be aware that we only have one phone line, so coming into the office or online will most likely be faster.
  - c. Come in to the front office during office hours and we will help you sign up!
  - d. Send an email to sign up (if waiver is signed, information updated, and will let us charge credit card on file at time of sign up). We will go through email as fast as we can, but online, in person, and phone sign-ups will have priority.

For your convenience all accounts must have a debit/credit card on file. All accounts will be charged on the 1st of the month automatically. Your signature on the waiver authorizes Air-Bound Gymnastics to make charges as described. A \$25 fee is assessed for all credit card denials.

Air-Bound is always enrolling students!

**Thanks,**
